

## Have you ever been diagnosed with Young/Early Onset Parkinson's Disease?

If YES, please consider volunteering to be a participant in a research study conducted by Monash University!

We are seeking participants who are able to read and understand English in order to take part in an interview via video conferencing such as zoom or skype, by telephone or in person. Alternatively, you might wish to participate via an email interview.

**We hope to understand the effects of young-onset Parkinson's disease on relationships, identity and outlooks of the future.**

- ✓ Participants will be asked to participate in two interviews lasting approximately 60 minutes.
- ✓ You will be asked to participate in a photovoice task (see explanatory statement)
- ✓ Your participation is fully voluntary
- ✓ You can nominate a preferable time and location to participate in your interview.
- ✓ Participants will receive a \$30 Coles-Myer or Woolworths gift card in recognition of their time for participating in the study

To participate or inquire about the study, please contact:
